NCM Christmas Project 2021

This Christmas, support children who are caught in crisis.

Trauma, violence, instability, hunger, illness—each of these are the repercussions of the crises impacting millions of children around the world. Each is also a factor that might make children feel as though they have been forgotten.

Through the NCM Christmas Project, you can tell children they matter.

This year the Christmas Project will...

- Provide food for children who are experiencing hunger in Venezuela
- Cover school fees and scholarships for students at Nazarene schools in Jordan and Lebanon
- Facilitate medical and mental health care in Lebanon and Bangladesh
- Encourage children living as refugees in Bangladesh and throughout Europe

If you are interested in learning more about making this a church wide project and/or just to promote to individuals for giving opportunities, check out more details and resources here.
