Free Event

Do you have a TON of old homework, and are you wondering what to do with it? Well we have just the event for you! Bring all of your old homework with you on May 26th, and we will watch it all go up in a blaze of glory!

We will be serving **Free Pizza**.
Bring extra money for drinks
and snacks.
**Event located at the Brick
House**

We will also be holding a grocery bag scavenger hunt, where you can choose to compete as a team (any size), or solo. Items at random will be called out, and the team that can bring them to the judges table within 2 minutes will earn a point. The team with the most points at the end of the night will receive \$200 (split amongst team) towards our upcoming Summer events! So get your grocery bags ready and fill them up with as many random items that you can think of! **Only 1 bag per person.**
