If you are a fan of LaserTag (or not!) then this is the event for you! Forget what you know about your average bowling alley laser tag games, because these guns are the real deal! There will be multiple gun selections to choose from whether you prefer a smaller compact gun built for speed, or a larger long distant gun built for taking enemies out without them ever seeing you. Guns come equipped with different scopes including sniper style or red dot sites. With tons of ways to customize your equipment, you get to choose the way you play! Don't miss out on this awesome opportunity to show your skill in laser combat! Its a battle to see who will take the day!

Cost: \$10

Drop Off/Pickup: Student Cafe

How it Works: Students will meet in the cafe at 6:00pm where snacks and drinks will be provided.
