Making Big Church Small

# IF...THEN

In order to help anyone who has not yet found their place in one of our small groups, we've designed this guide to help direct them where they should go. Use the IF...THEN statements below and you will find your options. We do encourage our guests to try several groups and pray for guidance to see what works for them before they make a final decision. We've got great groups at First Denham. If you have questions, contact Billy McDaniel at 225-480-7076. We'd love to help you get connected!

*Connecting to Christ, to a small group, and to a ministry are our three highest priorities.*
