

Permission Form

2020/2021/2022 General Permit Slip

For youth and confirmation activities that involve motorized transportation away from church property.

Note: No youth under the age of 18 may attend an activity away from church property without the consent of a parent or legal guardian.

The following permit slip grants flexibility for the church to organize and plan outings or activities much faster. While there is still an obligation to notify parents of all activities, this permit slip will allow for activities to happen without an individual permit slip for each separate activity.

I give my child, _____, permission to attend the church sponsored activities off the site of the church for 2019, 2020 and 2021. I understand that my child will be reasonably supervised and provided safe & insured transportation to and from the activity. I also give permission for an attending adult to admit my child for medical care or hospitalization with the understanding that I will be contacted as soon as possible at the numbers listed below. I agree that if my child is unable to maintain Christian conduct, I may be asked to come and remove my child from the activity and pay for all expenses related to their misconduct.
