

October 7, 2020

Dear Prayer Partner,

Thank you for partnering with us through your prayers. We pray you will experience God's abundant blessings because of your involvement in missions.

The Box Elder County Fair Outreach was limited due to Covid this year. Last year we gave away 18,000 bottles of water and this year a little over 2,000. One comment from some fairgoers was how they appreciated us being there this year when so many usual fair activities were canceled.

Early September we had a getaway to Grand Teton National Park. It was a good camping experience, and the scenery was spectacular – until the smoke rolled in from the west coast fires which is where we originally intended to visit.

Sunday, September 20, we celebrated Payson Bible Church's 50th birthday and their graduation from BMW as an independent self-supporting church with the new name of

Orchard Hills Bible Church. Steve had filled the pulpit there when he first arrived in Utah as a missionary and then Steve was the missionary-pastor there for 6½ years in the 80s during which time both of our kids were born. It was a great day for memories and rejoicing in what God has done in people's lives through these 50 years.

PLEASE PRAY AND/OR PRAISE FOR

- *The health of our missionaries and safety in our travels.*
- *Faithfulness in using every possible opportunity to connect with people and be a blessing.*
- *Laurie was asked to return to work temporarily by Brigham City due to a worker's extended medical leave. This gives her an opportunity to be with people for whom we continue to pray.*
- *BMW Synergy Conference in Utah, October 21-24 that it would be a blessing to the missionaries.*
- *Visits to our missionaries in early November and early December. Deputation and family visits in Michigan November 13-23.*

Thanks so very much for being an essential part of our missionary team. May God richly bless you.

Sincerely in Christ,

Steve and Laurie

Steve and Laurie Barsuhn

How to give:

Barnabas Fund #5302

Barsuhn Personal Support #4051
