

PERSONAL CHARACTER Mentor Guide & Contents

Purpose: Establish confidence that the individual demonstrates godly character as defined in Scripture

Strategy:

- Use the Qualifications Questionnaire as a starting point for discussion of each area of character. It will help identify weak areas that need to be dealt with and resolved.
- Encourage each trainee to seek the answer to the following:
 - Who is God?
 - Who am I?
 - What role does God have for me?

Methodology:

- Issue session material at least a week in advance allowing time to review before meeting
- Ask questions and challenge understanding to gain insight
- Confirm that each individual has an understanding of biblical standards of character
- Determine character via observation, conversation, and feedback from peers
- Confirm that each individual is striving to live up to biblical standards of character
- Confirm that each individual understands spiritual transformation principles
- Confirm that each individual is practicing personal life disciplines
- Confirm that each individual identifies and is practicing their spiritual gifts
