

18. Praise for the Lord's provision. Income has been behind this year but we are thankful the Lord has met the needs as they have arisen.

19. Pray for additional volunteer sonographers so we can provide ultrasounds when Alyssa is not available.

20. Pray for the 19y.o who is working through the Exchange study; that the Holy Spirit would give her understanding.

21. Pray for the 28y.o who contacted us to be an ultrasound model. Afterward, she enrolled in Mentoring Moms.

22. Pray for new volunteers who would be willing to train to serve as Client Advocates. We would like to expand center hours.

23. Pray for our Medical Director.

24. Pray for volunteers Melody and Michele.

25. Pray that the Google and Facebook ads will have good results.

26. Pray for medical volunteers to work with clients; in particular, two

RNs with current licenses for when we do ultrasounds.

27. Pray for Stacy, the Client Services Manager.

28. Pray for Dwight and Andrew as they serve on the Board.

29. Pray that clients will be agreeable to having gospel conversations.

30. Pray for the 43 y.o with a young daughter who made a profession of faith during Bible studies during covid and is now doing a discipleship study.

31. Praise that another of our MM clients who stopped coming because of Covid returned once last month! Pray that she will become regular in attendance.

October 2020

Women & Teens Crisis Pregnancy Center

October 2020

Please pray daily for Women & Teens!

1. Pray for volunteers Angie & Pat.
2. Praise! Still none of our current clients report sickness from COVID.
3. Pray for the 24y.o. Mentoring Moms client who has completed the 1st lesson of the Exchange study but progress is slow.
4. Praise that one of our clients who would not come during the shutdown recently returned for MM! She returned for classes because she said her child needs winter clothes!
5. Praise that donors have been generous and we have been able to process over \$13,000.00 from Baby Bottle Boomerang!
6. Praise that we have received several donations of baby clothing to

replenish the inventory for the MM store.

7. Pray for the 37 y.o. MM client who is due in November. She is a recovering addict and does not have custody of her other children. She has completed the Exchange studies but has made no decision. She is now working her way through the *You, Me and the Bible* study.
8. Please continue to pray for relief from the covid-related executive orders that discourage client visits.
9. Praise that Alyssa has been able to complete her quota of supervised scans! She is now able to do them independently!
10. Pray for the 26y.o who initially served as an ultrasound model and has since enrolled in Mentoring Moms Program. She has returned several times.
11. Pray for the 16y.o. who continues in Mentoring Moms. She delivered in June. Pray that the orthopedic treatment for her baby's hip difficulty will be sufficient to correct it. She

continues working her way through *the Exchange* study but hasn't agreed to work on it every visit. Update: The treatment for baby's hip issues worked!

12. Pray for Board members Jen and Aaron.
13. Pray for the clients who are due to deliver in October.
14. Pray for the 35y.o. who came for a test which was positive. Her boyfriend is "leaving it up to her" whether or not she decides to carry. Pray she will return for an ultrasound. Update: She disclosed recently that she had the abortion.
15. Pray for Dave, Mark and Scott as they serve on the Board.
16. Praise that the God's Gift of Life Event went well. We are thankful the livestreaming process went without glitches! Fundraising events have been challenging this year.
17. Pray for the 20y.o. with a positive. She has been scheduled for an ultrasound. Update: She did not come for her ultrasound appointment.
