

Next Step Pregnancy Center Lifeguard Prayer List

March 2023

1. Pray for a woman who has had 3 abortions and is currently pregnant. The father of the baby is pressuring her to abort. Pray he'll come with her for an ultrasound appointment. Update: She did not return for the second ultrasound. To the best of our knowledge she did abort. Please continue to pray for her salvation.
2. Pray for a client experiencing premature labor. She and her husband are excited about baby. In the process of working through a Bible study recently, she expressed she is trusting in Christ alone for her salvation.
3. Pray for Alyssa, Medical Services Manager.
4. Pray for a number of clients who experience transportation issues. This makes it difficult for them to come to the Center, especially during the winter months.
5. Pray for Client Advocates Pat and Michele.
6. Please pray for a client scheduled for an ultrasound today. Due to a poor relationship with father of baby she is planning to abort and already has an appointment scheduled at an abortion clinic. The Lord is able!
7. Pray that our website and online presence will be effective in directing clients to the Center. Pray for wisdom in navigating platforms and their constant changes in the listing of pregnancy centers. We desire to see more clients.

9. Pray for a Mentoring Moms client who is pregnant again and uncertain what to do. She is also in an unhealthy relationship.
