Prayer Team News: 9:00AM – 9:00PM

Prayer days are important for the church growth because they foster unity among the believers and allow the church to see God’s guidance for the appointed goals. Through a collective prayer day, the church can align their hearts with God’s will concerning our new pastor which leads to spiritual growth and transformation with our community.

** * * Prayer verse for 1:00 should be Psalm 109:4****

The Best Day of My Life

Today, when I woke up, I suddenly realized that this is the best day of my life. There were times when I wondered if I would make it to today; but I did!
And because I did, I'm going to celebrate!

Today, I'm going to celebrate what an unbelievable life I have had so far: the accomplishments, the many blessings, and, yes, even the hardships because they have served to make me stronger.

I will go through this day with my head held high and a happy heart.
I will marvel at God's seemingly simple gifts. Today, none of these miraculous creations will escape my notice.

Today, I will share my excitement for life with other people.
I'll make someone smile.
I'll go out of my way to perform an unexpected act of kindness for someone I don't even know.

Today, I'll give a sincere compliment to someone who seems down.
I'll tell a child how special he is, and I'll tell someone I love just how deeply I care for them and how much they mean to me.

Today is the day I quit worrying about what I don't have and start being grateful for all the wonderful things God has already given me.
I'll remember that to worry is just a waste of time because my faith in God and his Divine Plan ensures everything will be just fine.

And tonight, before I go to bed, I'll go outside and raise my eyes to the heavens. I will stand in awe at the beauty of the stars and the moon, and I will praise God for these magnificent treasures.

As the day ends and I lay my head down on my pillow, I will thank the Almighty for the best day of my life. And I will sleep the sleep of a contented child, excited with expectation because I know tomorrow is going to be the best day of my life!
