

September 2025  
Greetings!  
From Arizona Reservation  
Ministries  
And Dale and Diana

WOW. I had been praying about what to share in this next News, then looked over our most recent one. God continues to work in amazing ways-never ceasing to amaze me with His creativity. With the help of a group who join us each Labor Day to help with a Family Fun Day, despite temperatures over 100 degrees, the day was amazing! Tori took our car and picked up children who live in another neighborhood, one we visit on Mondays. During our Team Meeting, we decided to host this event in a neighborhood where we've never gone. Along with cramming way more kids in our car than typically fit, many, many others joined in the fun. For the first time, Linda prepared sub sandwiches rather than our usual burritos or hot dogs...150 of them! Besides the precious visits with friends and "family," something else occurred that had never happened before. A former "Bus kid" had grown up and had a baby girl of her own. She arrived with two boxes of cleaned and folded newborn baby clothes. The day before, another girl had just given birth to her own precious daughter. We don't ask for clothing because our storage space is limited, but, at these events, we set out all that has arrived. I don't think we've ever had someone arrive from the Reservation with their own donations toward the community...and the timing was perfect!

We've had a long, hot summer with very few groups of volunteers. Having this group from Yuma arrive was such an encouragement!

Although no visiting teams are on the calendar in September, during our most recent Team meeting, the planning was extensive as several plan to join us between now and Thanksgiving! One Life Church, Mesa, AZ plans to bring a group of 30+ to help us for the day on October 4<sup>th</sup>. Lord willing, with their assistance, we'll host yet another Family Fun Day, again in a neighborhood where we don't typically visit. (The San Carlos Apache Reservation actually covers nearly two *million* acres!) The next evening, after many years' absence, a team plans to join us from First Christian Church, Johnson City, TN. Palm Valley Church, Buckeye & Goodyear, AZ is on the calendar to arrive October 10<sup>th</sup>-13<sup>th</sup>. While they're here, Jon Linda, Dale and I, will be on a family trip, joined by Jacque and her crew and Jenna! Pros and Roxie will host Palm Valley and show them the other side of the Reservation where they'll have a day of Fun, and food/clothing distribution. Vincent and Vermaleen will host them on Sunday as this team feels a deep connection to the American Indian Church. After worship, they'll work on tasks that are needed with this facility. And *then*, Northside Christian Church of New Albany, IN is scheduled to arrive for the week, beginning October 26<sup>th</sup>. With so many tasks underway within this ministry, these Short-Term Ministers will be a huge answer to prayer. How can you pray? Pray for the Lord to prepare them and filter them. Pray for us to hear His leading with all plans and pray for the provision of all that will be needed during their visits.

Already, several teams are on our 2026 Short-Term Ministry Calendar. If interested in joining us, it is located on our website at [AzRez.org](http://AzRez.org).

We absolutely love having others join us in Short-Term Ministry. We also thank God for those who visit and participate in a Prayer Journey of the San Carlos Apache Reservation. Please pray for many to come and see first-hand what needs exist, and perhaps God's plans for them while here.

We ALSO love to be invited to share at churches and groups about this ministry and San Carlos! Recently, LifePoint Church in San Tan Valley, AZ hosted Pros, Roxie and two of their children for their Sunday services. I'll be heading to a women's retreat to share during four sessions with Desert Christian Fellowship (Phoenix) in Prescott, AZ. They have graciously invited some of our ladies to join them. Vermaleen and Tori will join in this great event. Once it's done, I get to share with a Fellowship that has existed in Prescott for several years. A great friend will be arriving from New Albany, IN with the team the end of October. He's already agreed to represent us at Northside Christian Church's Missions Expo in November. We need partners. Once people hear about us, visit us, or serve with us, then they understand just how great the need is. Please pray for others to begin a precious partnership with us, too.

Vincent, Vermaleen and their daughter Aurelia returned from Turkey touched for eternity by their experiences. We want to thank those who helped make this mission trip for an Apache family possible.

The basketball ministry of ARM is expanding! Pros and Roxie are planning to add two more teams. These would be for the pre-teens. They'll need smaller basketballs for these smaller team members.

In January, Dale and I once again reviewed the ARM Staff Handbook with our team. In it was the mention of private meetings with each team member. During the past few months, we've been holding those meetings, and they've been incredible! The faith and visions of those the Lord called to this team have been amazing! Tori plans to "reward" kids we meet with weekly with a trip into Globe to get pizza, swim, McDonalds', etc. Linda has stepped into greater responsibilities within ARM's financial processes, which has been a huge blessing for Dale. Please keep this team in prayer, as well as their children, marriages, finances, etc. In addition to this, we also received our CPR & First Aid certifications again.

It's been quite a memorable month for the Lawrence family! (AND the adventures continue!) With funds provided earlier, Dale was able to take his two sons (Jon and Justin), our son-in-law, Wade, and Jon's son, Edward and Wade's son, Tyler on a "Legacy Trip" he'd been praying about for two years. Andi (Jon & Linda's) and Anissa (Justin & Theresa's) daughters are high school seniors this year. Please pray for them as they pass through this pivotal year, and for God to lead them to their next chapters. Justin is currently on his second stint fighting Wildland Fires through his Maricopa, AZ Fire Department. As these fires continue, please keep in your prayers all of those bravely fighting. Please also pray for their families at home. Dale and Jon's pains continue. Please keep praying for the health of each of us. Thank you!

*Love,*

*Dale and Diana*
