

# WAT UP SALONE

October 2025 Newsletter

Hope everyone is doing well! Check out below for what we have been doing the last few months.

## Yuma Team

This past June 6 members from the church in Yuma Arizona visited us and helped build a playground at a local school Auntie Shirley's Academy. This school is also a church and an orphanage. This playground included a two tower metal play structure with a rope

bridge going between the two towers and a slide. Plus the team built a giant tire tower and some tire trampolines! Then at the end of the day they lead a program for all of the children! It was a great time! We really appreciate Yuma every time they come!

## Crafting with The Jefferson Women's Group

We met with the Jefferson Women's Group and made some new crafts! These crafts consisted of keychains with

tiny little flipflops on them! They were so cute and so much fun to make!!

## Christ The Redeemer Church Visit

This past August, Christ The Redeemer church in Kansas sent their very first team to partner with us here in Sierra Leone!

The team consisted of four people from the church. They led a VBS in The village of Konta.

Konta is a smaller village of around 500 people. The VBS was attended by over

200 children! Nearly every child from the village came!

They also helped build some seesaws for the children of Auntie Shirley's Academy. You can see an example of the seesaws above.

It was a great time. The children living at Sowing Seeds were literally crying when they left.

## Prayer Requests

1. Pray for the children of Auntie Shirley's Academy. Auntie Shirleys Academy is the home of over 30 street children. These children were found living homeless for a variety of reasons. Pray for their health and future.
2. Pray for the upcoming soap classes! These classes will give these teenagers a skill that could help them make money in the future!
