

## REQUESTED PRAYERS

The Church Office and members of the church receive several prayer requests each week. *Please pray for:*

- ♦ The memorial service celebrating the life of Harriet Washburn will be held in our Sanctuary on Saturday, September 10, at 2pm. Pray for those preparing the service and for all family and friends who knew and loved Harriet.
- ♦ Prayers for Cynthia Allison's sister, Susan Thompson, who is facing the return of untreatable cancer.
- ♦ Continued prayers for Cecelia Muller's friend Denise Zeller, who is currently home, able to use a walker to get around, and cancer free but still undergoing treatment.
- ♦ Prayers for Kim Roider's cousin whose Parkinson's Disease is progressing.
- ♦ Mara Duffy requests prayers for David Washburn and her friend Annie for health reasons, and the Hernandez family.
- ♦ Prayers for Mara Duffy's friend, Michael, who has been diagnosed with pancreatic cancer. Pray for healing and comfort for both as they navigate this difficult diagnosis.
- ♦ Prayers of comfort for Tom and Karen Keene on the recent passing of Karen's mother, Ginny.
- ♦ Charlie Briggs lifted up Barbara Roek's granddaughter, Natalie Martin, who fractured her leg. No surgery was necessary and she has been admitted to Lincoln Square for rehab.
- ♦ Prayers for Lee Mecum, who has been experiencing some stomach discomfort. Pray that God will give his doctors wisdom in diagnosis and on further treatment plans.
- ♦ Prayers for Charlene McElhinny. Tests show nodules in her lungs. No word yet if it is cancer.
- ♦ Prayers for Tola Eley's friends Rick and Debbie as they prepare for Rick to begin radiation. Pray that he will be much stronger and more mobile. Prayers for Debbie as she supports Rick and adjusts to their new way of life.
- ♦ Continued prayers for Cecelia Muller's daughter-in-law Debbie Avenell who continues in cancer treatment.
- ♦ John Vaughn's shoulder surgery was successful. Prayers that the pain during recovery is minimal and for the return of full use of his arm.
- ♦ Charlie Briggs is experiencing secondary health issues due to hormone treatment, as well as heart issues. Pray that medications will be found that will all work well together.
