TUITION PAYMENT OPTIONS

- **All payments are made through TADS**
- **Annually in August 2021**
- **Bi-annually First Semester in August 2021 and Second Semester in January 2022.**
- **Ten monthly automatic drafts to TADS to be paid in full by May 25, 2022**

A monthly tuition recovery fee of \$25 is charged for tuition payments other than one annual payment. Late tuition payments will be assessed late fees and/or consequences according to the Enrollment and Tuition Agreement. Lunch accounts are paid directly to the school lunch vendor. Lands End is the school uniform provider. Please see the school website for detailed information. Some field trips and extra-curricular activities occurring after school, such as but not limited to athletics in grade 5-8, will have an additional fee.

Special Services programs such as educational therapy (diagnosed learning differences and dyslexia), RTI (Response to Intervention), and specific enrichment programs, are at an additional cost to our school families. These programs are offered in addition to our formal school curriculum.

Additional fees will be charged to the TADS account.

TUITION REDUCTION

A pre-determined amount of funds is available for assisting families with tuition costs. Qualification is based on need as determined by a third party evaluation through the submission of a confidential assessment form and the most recent IRS 1040. Families seeking tuition reduction must submit the necessary information and forms (confidential assessment application and IRS 1040) online to TADS by the required date. There is a fee for this process. Families will be notified by email in late spring/early summer regarding the amount of tuition reduction granted. Should families need to discuss their tuition reduction further, they must call the school office and set up an appointment with the School Commission. Late enrolling families seeking reduction assistance may apply but funds may be limited and subject to review and approval by the school commission. Registration payments and technology fees cannot be considered for reduced tuition.

Should an issue arise in the area of tuition or any other school-related expense during the school year, please contact the school office immediately for help in the matter.
