Nap Mat Criteria

Texas Department of Family and Protective Services and the Harris County Fire Marshal require that, for resting purposes, parents must provide a nap mat that meets the following criteria:

- Be waterproof
- Have a vinyl covering
- Be flame retardant
- Be 1" thick
- Be four-fold for easy storage
- Be free from any damage that exposes the padding

Please check your child's nap mat to determine if the mat meets these criteria.

Wal-Mart & Target carries a mat called "Kindermat" which meets the above criteria.

Please Note

- A small, washable camping or travel pillow is allowed for naptime.
- **Pillow must NOT be attached to nap mat cover.**
- No crib sheet please.
- Any bedding (blanket & pillow) must fit inside your child's designated tub. Tub measures 11X13X5.
- **Bedding not meeting these requirements will need to be replaced.**
