

5th Grade Summer Reading

This summer get carried away to another world, imagined by the masterful storyteller, Roald Dahl! Learn what "The BFG" is, what happens in the night when you dream (as imagined by the author), discover the language of giants, and visualize a world where you can fit inside a giant's ear! Please read the novel before the first day of school. There are no activities to complete - only reading and comprehending the book. We will start activities based upon the novel by the first Monday of school.

*Read Before
First Day of
School*
