**NOTE:**

Students will need to decide *on their own organizational system* to use for the school year based on their classes. Teachers can help individually, but this will help prepare students to be self sufficient for the following year. For example, students may continue to use an expandable if desired.

Cleaning supplies need to be brought on **Orientation Day or Tell the Teacher More Day**. Please bring a pencil and notebook on the **first day of school**. Other items should be brought to the Seventh Grade classrooms as requested.

Other supplies may be requested from your teacher throughout the school year.

**\*Restock these supplies as needed.**
