Our preschool summer camp emphasizes fun, as teachers present exciting themes that feature Bible stories, art, free play, movement, games and cooking projects. We invite your child to come spend time with friends while playing and creating at Fun Under the Son!!

The children have been preparing for the end of the year celebrations and graduations. The children's programs are truly one of my favorite parts of the year. There is nothing better than watching the children sing and dance. We will not be recording the end of the year celebrations as **all family is invited!!**
