

NOVEMBER 2021 NEWSLETTER

I can hardly believe that we are already in the month of November! October was very eventful at preschool. We made pizza in the mobile Pizza Hut truck, the firemen came to visit, we sang at church, and we had grandparents' day celebrations! We would love for you to follow us on Facebook so you can see pictures of all the fun stuff that we are doing.

I want to thank everyone for participating in our Eileen's Cookies fundraiser. The children and parents of our Peace Lutheran Preschool family sold 857 tubs of cookie dough. Our total from the cookie dough sales and donations was \$6673! The proceeds will go directly to our classrooms for tables and other educational items and materials. Saying "thank you" just doesn't seem enough.... but from the bottom of my heart, thank you for being the most amazing parents!

As Thanksgiving approaches, I love to reflect on all the blessings in my life. I am so very thankful to be the director at Peace Lutheran Preschool and have the privilege to share God's promises and love with the children who walk through our doors. I am so grateful for the incredible staff and amazing families that I get to work with every day. I pray that your family has a wonderful Thanksgiving and may God continue to bless you!

~Mrs. Dupler

Peace Lutheran Preschool is pleased to announce that we will be offering a three year old class for the young three year olds who didn't meet the age requirements for our classes that started in August. Children interested in this class must turn three by 12/31/2021 and be fully potty trained. The first day of class will be Friday, January 7, 2022, and class will meet Friday mornings from 8-11:15 am.

This class is a great introduction to our preschool program by offering a structured setting with an opportunity to learn to share and follow instructions. Preschool classrooms also help children grow socially and emotionally, as well as expanding language and cognitive skills. Our preschool program provides engaging hands on activities which are fun and interactive!!

If you would like more information on this three year old class, please contact DeeAnn Dupler at 308-850-2146. I would love to talk with you about it!
