ROOTED

Goal: We Grow Downward Before Expanding Outward

We focus on becoming spiritually healthy disciples who are grounded in Scripture, prayer, solid teaching, and real community. Success isn't about attendance numbers – it's about living faithfully, growing leaders, strengthening families, and staying deeply rooted in Christ

Faithful Where We Are. Focused On Where We're Going

PRESENCE

Goal: Being Presence Before Getting Bigger

We focus on showing up faithfully where God has already placed us
– serving our community, building trust, and making an impact
now, not waiting for a building or big numbers

2030 PLAN

Faithful Where We Are. Focused On Where We're Going

FAITHFUL

Goal: Well Done > Well Known

We focus on being faithful and responsible – doing the small things well like in area of finances, leadership, worship, and ministry. So, the church can stay healthy and last for the long run, not just get through the seasons

2030 PLAN

Faithful Where We Are. Focused On Where We're Going

EXPANSION

Goal: Making Room For Who God Is Sending

We focus on planning ahead to grow people and space – adding things like expanding services, ministry moments, saving modestly, building partnerships, and using where we now worship as a launching pad instead of a limitation. Growth is intentional, not random

ESTABLISHED

Goal: A Church Built To Last

We focus on being stable in finances, structure, and mission. So, whether we are still in a school or permanent location, the church is confident, secured and ready for the future

CONCLUSION TO REMEMBER

The vision years don't drive the plan; we carry the plan through the vision years. The vision years are just a frame that provides space, but our follow through is the engine
