MISSIONS 2019

ANTIGUA, GUATEMALA

Partnering with Iglesia Del Camino

Iglesia has many ministries that they partner with in the greater Antigua area. Things that have been a part of the teams in the past and may be included this coming year, such as: VBS, light construction, evangelism, and home visits to deliver water filters.

PANAJACHEL, GUATEMALA

Partnering with Porch de Salomon

Panajachel is further off the beaten path in the indigenous areas of Guatemala, but it is right in the middle of God's work. The teams in the past have been involved with VBS, heavy construction, home visits including delivering physical and spiritual blessings, and evangelism.

If you or your parents have any questions about the trips, then contact Greg McGaha (High School Pastor of Sharon Church). Email and phone number are at the bottom of this page.

There will be team building trainings starting early spring! (These are important)

Support thoughts:

- * Look for ways of earning money yourself (grass cutting, baby sitting, etc.).
- * Send out support letters to family and friends (sample available).

1 week is \$1725

2 weeks is \$2425

If I can negotiate prices down for airfare I will bring the cost down accordingly.
