

OUR CHURCH BUILDING IS OPEN!

We opened the church building on June 21st for the Sunday morning worship service and have continued each Sunday since except for one week and weather. By God's grace, we are now open for Sunday, and for Wednesday night bible studies. We continuously evaluate our resources and health requirements for future events.

The Guest Services Team prepares the building for our gathering, and our seating has been downsized to accommodate for social distancing. As always, for your safety and the safety of the church family, please continually review the "[DCB Entrance Procedures](#)" and help us keep our church safe. Thank you for your patience and cooperation as we move forward.
