*This plan is designed to help you read the Bible the way Jesus did. During His earthly life, Jesus had only the Scriptures of Israel—the Law, the Prophets, and the Writings—and He said they all pointed to Him (Luke 24:44). That's why we move through the Old Testament in that storyline flow, letting the story build before it resolves in Christ. The New Testament is then read through witness streams, grouped by authorial voice and perspective. This is a five-day-a-week plan, leaving margin to catch up or go deeper through prayer and study. Read slowly. Watch the connections. Let the story shape you.*
