June was a busy month with Vacation Bible School (VBS) activities. The youth and other ministries came together to promote VBS in the community by handing out fliers at Kidspace park, the area around the church, Veterans Park, and the Community Market. Some of the youth even helped getting the church ready for VBS. VBS started June 24 through June 27th. We had around 50 kids attending through the week. With the teenagers being the biggest group of 20. The next biggest group was the preteens with total of 16 youth attending. The 6-8 year olds had 10 and the 3-5 year olds had 6 little ones in attendance. They had a great time learning about God and Jesus through bible study, crafts, recreation, missions, and music. It was great seeing the kids enjoying themselves through out the week.
