September was a month of learning about the 10 plagues, watching the movie Prince of Egypt, and going to the Saw you at the pole. In Children's Church the kids have been learning about Church Behavior. They have been learning how to listen, participate and the importance of being respectful to others. They have learned that Church is not just a building, it is a place that we come to praise and worship God. That when we enter the Church Building that they are to honor God by respecting others that are there. To listen with open ears and open heart to God's word that is being poured out by those that are sharing God's word.

The youth also honored those that are Grandparents in our congregation by reading a poem to them and handing out cards that they made for them.

Saw you at the Pole

On September 24th the youth was able to go to OBU to the Saw you at the Pole event. They were able to enjoy Pizza and Games before the grand event that was held at the Rec. Center where they participated in praying for each other and others that were attending. They were able to meet other youth from other churches in our area and made new friends in Christ.

“Committed to love, nurture, inspire, and equip our youth to be faithful, lifelong disciples of Jesus Christ.”
