**“What If You Don’t Feel Saved? - Part Two”**

6 I am astonished that you are so quickly deserting him who called you in the grace of Christ and are turning to a different gospel—  
7 not that there is another one, but there are some who trouble you and want to distort the gospel of Christ.  
8 But even if we or an angel from heaven should preach to you a gospel contrary to the one we preached to you, let him be accursed.

- Galatians 1: 6-8 ESV

This morning, we will continue our Sermon Series, “Don’t Forget!” with Part Two of the lesson, “What If You Don’t Feel Saved?” I want to thank you for the tremendous response to this series and to last week’s lesson. I always want to share some things from God’s Word that makes a difference in your relationship with the Lord and applies to your everyday life. The questioning of one’s salvation is something that is very common, for all sorts of reasons. We looked at several of those reasons last week and we will look at a few more this week. It is not God’s Will that you and I worry about or even become confused about our salvation. In fact, if there is one thing that definitely needs to be settled before you leave this ole’ world it’s the question of your salvation. As we mentioned last week, there are many voices speaking to the question of salvation. The only standard by which to answer that question is the Word of God. It will be the standard by which we are judged. Our sermon today uses the game of Rook as an object lesson. You will see why as we get into the lesson this morning. Thank you so much for being here this morning. I pray that our time together will prove to be an enormous blessing.
