What Do You Do When You Don't Know What To Do?

- 1 After this, the armies of the Moabites, Ammonites, and some of the Meunites declared war on Jehoshaphat.
- 2 Messengers came and told Jehoshaphat, "A vast army from Edom is marching against you from beyond the Dead Sea. They are already at Hazazon-tamar." (This was another name for Engedi.)
- 3 Jehoshaphat was terrified by this news and begged the Lord for guidance. He also ordered everyone in Judah to begin fasting.
- 4 So people from all the towns of Judah came to Jerusalem to seek the Lord's help.

- 2 Chronicles 20:1-4 NLT

Have you ever found yourself between the proverbial "rock and a hard place"? Sometimes you may be put into a circumstance where there just doesn't seem to be a way out. Maybe you do have options, but none of them are desirable. I'm not talking about decisions like where are we going to go eat or something mundane. I'm talking about major life situations. It could even be a real life or death scenario. What do you do when you don't know what to do?

When searching for real answers to life's hardest questions, it's always best to look at the Word of God. It is a lamp to our feet and a light to put path. This morning, we are going to look at a situation that was faced by King Jehoshaphat and the people of Judah. It is a beautiful example of how to respond to life's most difficult decisions. I pray that our time together today will be a blessing to you!
