## "Do Not Fear What They Fear"

**11 The LORD spoke to me with his strong hand upon me, warning me not to follow the way of this people. He said:**
**12 "Do not call conspiracy everything that these people call conspiracy;**
**do not fear what they fear and do not dread it.**
**13 The LORD Almighty is the one you are to regard as holy, he is the one you are to fear, he is the one you are to dread.**

**- Isaiah 11:11-13 NIV**

It's hard to believe that we are already halfway through the month of November and are coming upon the holiday season. It is going to be a flurry of activity here at Berea and I hope that you will make it a priority to be a part of all that you can. Our 7th Annual Food Pantry Giveaway is now underway, and it is off to a great start. We have raised about a third of the amount needed to provide 40 of the neediest families in Wilson County with food to last them for a couple of weeks. It will be such a blessing to ease their burden. Thank you for helping in any way that you can.

This morning, we are going to be looking at the topic of fear. Whenever we face any uncertainty, fear will attempt to raise its head. There are many fearmongers in the world today. There are so many areas of legitimate concern with world events and the culture present in this country today. However, this is nothing new. In fact, it was Solomon who declared, "There is nothing new under the sun." May today's lesson remind us that we are to have a reverent fear of the Lord. If we walk with Him faithfully, there is nothing else to fear. I pray that our time together in the Word this morning will encourage you and strengthen your faith. Thank you for the gift of your presence!
