“What Does All of This Mean?”

5 He told them, "Go into the middle of the Jordan, in front of the Ark of the Lord your God. Each of you must pick up one stone and carry it out on your shoulder—twelve stones in all, one for each of the twelve tribes of Israel.

6 We will use these stones to build a memorial. In the future your children will ask you, 'What do these stones mean?'

7 Then you can tell them, 'They remind us that the Jordan River stopped flowing when the Ark of the Lord's Covenant went across.' These stones will stand as a memorial among the people of Israel forever."

- Joshua 4:5-7 NLT

One of the interesting things about visiting a Cracker Barrel years ago was seeing all the antiques hanging from the ceiling or adorning the walls. Much of the memorabilia was household tools or small pieces of farm machinery. It was fun to visit the store with an older person who could tell you what every single item was, what it was used for and how it worked. There are many of those items that there was no way a young person could figure them out.

In our lesson today, the Bible speaks about a memento that was built for future generations to see. It was understood at its inception that there would need to be an explanation to future generations as to what the creation represented. An object lesson for every future generation to remember.

Please know that we too are to be sharing faith with all future generations. We need to let them know how to come to know God, trust in Him and walk with Him all their days. I pray that today's lessons will bless your life, and your faith walk as well.
