The Creation Museum & The Ark Experience

At the Creation Museum, Scripture comes alive as we explore the big questions of life in an interactive and immersive way. As you marvel in the garden of Eden, meet our animatronic Noah, and explore exquisitely detailed dioramas, you'll discover that God's Word is true from the very first verse.

At The Ark Experience, you will have the opportunity to tour a life-size replica of the Ark. It is a massive structure. There are 3 levels to it and each is accessible via ramps and elevators.

August 28th - 30th, we will be taking a group trip to the Creation Museum and The Ark Experience in Northern Kentucky. The Creation Museum is just outside of Cincinnati, while The Ark Experience is located about 40 minutes south of The Creation Museum. We will leave on Friday, August 28th at 6:00 pm and return Sunday Night, August 30th at 10:00 pm.

The Creation Museum is an interactive experience to answer questions about Creation vs Evolution. There are displays and replicas of Dinosaurs and all sorts of living creatures. It is such a faith building experience. If you are on the fence about going, I recommend getting on the website and getting an introduction to all that is available.

The Ark Experience is a visit to a life-size replica of the ark. It is 3 levels and can be accessed via gradually sloping ramps or you can move from level to level on elevators. Wheelchairs and Electric Scooters are also available for rental. It gives everyone an idea of what life must have been like on the ark during the flood and how all those animals could be accommodated and fed while onboard for that long.

We are going to be chartering a Motorcoach that will provide transportation for the entire trip. It will add another dimension of fellowship and fun to the trip. Yes, there is a bathroom onboard the bus for your convenience. The trip will take approximately 4 hours to 4 ½ hours one way. We will have our own worship service at the hotel on Sunday prior that our tour of The Ark Experience. An info sheet is available on the table in the lobby. There is also a Sign-Up Sheet on the Bulletin Board in the Lobby; to commit to the trip we can lock in our reservations for the Hotel and Bus. Please sign up right away so we can finalize our plans. Please let me know if you have any questions. We are looking forward to having a great time together!

- Kevin

FAMILY NEWS

Steve Bradley is now at home dealing with pneumonia, while further tests are still to come on his kidneys.

Our love and sympathy are extended to Corey Buhler in the loss of his aunt, **Betsy Buhler**. The Visitation and Funeral will take place July 25 & 26 at Crossroads Church at 300 North Maple Street, Lebanon.

Charlene Corely, mother of Carla Alsup, fell Wednesday and injured her head & hip. She is at Summit Hospital.

Rachel Denton has been cleared to start physical therapy. Also, she can now use a walker and is no longer confined to a wheelchair.

Robert Denton, Jason's dad, remains in Centennial Hospital with severe complications from blood clots.

Jimmy Flatt, Sr was able to come home last week.

Jim Hundley had a biopsy on his pancreas; results are expected this week.

David Johnson is having setbacks with seizures.

Helene Locke, the mom of one of the Olive Branch teachers, is supposed to be transferred to rehab this week.

Betty Shrum is struggling with complications with her recent cataract surgery.

Kristen Woodson, friend of Donnie & Mary Ann Bain, is having pregnancy complications.
