

Dear Parents,

Fuge Camp Information

I am thrilled to announce that we WILL be attending FUGE Camps this summer! Our 7-9th graders are attending FUGE Camps at Union University in Jackson, TN the week of June 7-11th. The total cost for camp is \$354.00 per person and includes FUGE registration, transportation, and meals once on campus. A deposit of \$100.00 is due by April 1st to secure your student's spot for camp. After the \$100.00 deposit, each student participant will owe \$254.00.

Our 10-12th graders will be attending FUGE Camps at Southwestern Baptist Theological Seminary the week of June 21-25th. The total cost for camp is \$334.00 per person and includes FUGE Registration, transportation, and meals once on campus. A deposit of \$100.00 is due by April 1st to secure your student's spot for camp. After the \$100.00 deposit, each student participant will owe \$234.00.

Sunday School Points

Due to the support of the church, we have some available funds for the trips. We want to be fair in the distribution of the money given by the church; therefore, we have come up with the following guidelines. The youth attending camp will earn one point for each time he/she attends Life Groups at First Baptist Church of Flora beginning Sunday, April 11 through Sunday, May 30. Students can only earn points by attending Life Groups at FBC Flora. Students must attend Life Groups in its entirety. There are 8 possible points, and each point is worth \$18.00. Therefore if a student earns all 8 points, he/she will receive \$144.00 toward the balance of his/her trip. Transferring points to siblings or friends are not allowed.

There will also be a **MANDATORY** parent/student meeting for those attending camp on Sunday Night, May 23rd at 6 p.m. in The Place. In this meeting we will go over all camp guidelines and regulations as well as sign all necessary paperwork for camp. This meeting will also be an additional chance to earn a point towards your camp cost. This meeting will give your student a total of 9 points for a total of \$162.00. Also, due to this year's DNOW not having host homes, we have decided to attribute \$30.00 from your student's DNOW registration to every student's camp cost. The amount of money not earned in points is due on May 31, 2021.

EXAMPLE: *If your student pays the \$100.00 deposit and attends all Life Group meetings as well as the MANDATORY parent/student meeting, you will only owe a total of \$62.00 (7-9th grade) or \$39.00 (10-12th grade).*

Any student attending FUGE, who is a member of another church is encouraged to remain actively involved in his/her Sunday school class and church activities. Also, those students may want to ask their church to help them financially with the cost of Fuge.

In Service to God,
Michael Nanney
