

Hello Everyone,

On the heels of Easter, we will be celebrating the Lord's Supper **THIS SABBATH**. Pastor Danny will be bringing us the Message of Hope as we remember His broken body and spilled blood for our redemption.

**NO POTLUCK THIS SABBATH.** It has been postponed to the following Sabbath.

Then next weekend is the much anticipated **50<sup>TH</sup> ANNIVERSARY OF THE BURLESON ADVENTIST CHURCH!** There's a lot planned, and you'd have to be really out of the loop to not have heard all about it by now. But to check on the detail, times, what to bring for potluck, and golfing, click [HERE](#).

One item I would like to draw attention to is the concert we will have Sabbath afternoon at **5:00** in the sanctuary. In the late 1980's and early 1990's **STEVE DARMODY** served on the Pastoral Staff of the Burleson Adventist Church. He has been serving Christ through concert ministry since 1979 and has performed over 3500 concerts and special appearances in all 50 states and 48 countries averaging 85 concerts per year.

He has one of Gospel Music's finest voices, winning the 1988 Estes Park Christian Music Vocal Competitions. His music style ranges from Traditional and Inspirational to a touch of smooth contemporary. His "milk chocolate" voice has been compared to Bing Crosby and Pat Boone.

Steve has ministered in an array of situations and venues ranging from the Washington National Cathedral to makeshift stages in Australia's outback. In 1996 he gave a concert at the Atlanta Olympics as

part of the Olympic's Cultural Exchange. In 2009 Steve was invited to perform a concert at the Pentagon, and later to sing for the US Senate Staff Prayer Breakfast. He has since performed concerts in some of the world's finest performing arts venues, including New York's Carnegie Hall and the Warsaw Philharmonic Hall.

He has been an Artist Associate for World Vision since 1992, finding over 8000 family sponsors for children in crisis. He treasures his first-hand experience with the world's poor and has been a vocal advocate for children.

We know you will be tremendously blessed by Steve's ministry of music!

Our next **AY FAMILY EVENT** will be April 29th. Bring the family to BAS at 7:00pm for an outdoor Vespers followed by snacks, drinks, and open gym time.

We know how quickly your calendars get filled, so we just want to remind you that **VACATION BIBLE SCHOOL** will be held later in the summer than the past few years. Take note, and we'll keep you updated on a regular basis. Oh, and start thinking about friends' and neighbors' kids to invite!

We're so happy to announce that our BAS 7<sup>th</sup> & 8<sup>th</sup> Grade teacher, Brooke Flowers, has delivered a beautiful, healthy baby girl. Eliana fooled her parents by coming early on April 1<sup>st</sup>! Congratulations to the new parents!

**WOMEN IN FAITH** bible study begins a new series tonight on *The Life of Jesus*. Lady, if you've never attended this group, I encourage you to do something good for yourself. The discussion is lively and insightful, the laughter is genuine, and the food is delish! That's right, don't worry about catching supper before you come; Misty will feed you! Hope to see you at **6:30 tonight, April 19, April 26, May 10 & 24**. We meet at **The Pines of Alvarado Event Center: 301 S County Road 810, Alvarado**.

**MEN'S GROUP** meets tomorrow evening at 7:30 in The Living Room classroom where they're building community, accountability, and friendships. And as a female, that's about all I can speak to on that topic. 😊

I was asked to share this announcement with you: There will be a **HILLCREST MARKET EVENT** on April 23 at Southwestern Adventist University from 3pm to 7pm. The team in charge of coordinating the Flea Market is looking for people that are willing to participate as vendors. The sign-up form is in the QR code.

The last day to register: April 18

That's all I have for this week, y'all. Have a blessed week! ~ Liz ~

**The resurrection is the greatest turnabout in time, a reversal of such epic scope that all our yesterdays have been reshaped and all tomorrows made anew.**

**From Friday sundown's grinding grief to Sunday morning's glorious light, the balance of the world tipped. We were the people sitting in darkness. Now we greet His rising day.**

**Death and dying lost their grip: life and hope came springing up—out of the ground, within the tomb, above our loss, beyond our sin. Because Christ lives, the world's dirge will die away; a song of love and grace will be the anthem of the future.**

**Join in the song that never dies: "The Lord has risen—so shall I."**

**And stay in grace.**
