Precious and Beloved

Precious and Beloved is a media series with a variety of elements designed to overlap, reinforcing truths in ways designed to speak to the heart, mind, soul and needs of women. In August 2023, 11 women from 10 countries came to Cyprus for training. What has happened since then? From January to March of this

year 13 episodes were broadcast in Croatian and Serbian. One listener responded, ***"Thank you for creating a space where the female soul feels understood and loved. 'Precious and Beloved' reminds me that I am part of God's plan and that I have immeasurable worth. I feel blessed."***

Other languages being produced include Russian and Central Asian, for women living in the Northern Caucasus. These programs are broadcast on FM stations within the region. Pray for those who hear!

Autumn Training Courses

With help from Jay Boontje in the Netherlands, Ted will facilitate two on-line media courses for TWR's partner

ministries in Romania and Albania this autumn. Dawn and I led a seminar in Albania back in 2011. (See photo below)
