

# Signals from Ted & Dawn Siemens Serving with TWR

May 2024

## Bridging Distances, Uniting Hearts

On March 14, we concluded a great week with the TWR Global Content Team, meeting in Cary, NC. Twenty of us converged from around the world and the U.S. to pursue our priority strategies to reach the world for Christ with life changing media. After 5 years meeting only on Zoom, meeting in 3D was incredible!

We will cherish this event of building relationships and having face-to-face time to work through things big and small. God was certainly at the center, and we sensed his Spirit guiding and galvanizing us. We enjoyed excellent training and workshops, along with worship, prayer, and powerful devotions, which inspired and equipped us. What a delight to be with so many faithful followers of Jesus who work together so well, despite daily distance separations of thousands of miles.

## A Change Ahead...

Ted always teases that in order for me [Dawn] to be content after living in one place for a while, moving furniture helps me.

Two years after transitioning from Cyprus to South Dakota, we are not moving the furniture around, we are actually moving again! For various reasons, my siblings and I are selling our (inherited) family home. We lived in this home whenever we were back in the USA for our "home" assignments since 1992. Gratefully, we have lived with my brother in this grand structure for the last two years. Acclimating back to the USA after so many years overseas has not been easy. Honestly, we couldn't have done it without our wonderful community at Faith Baptist Fellowship. After the mutual decision to sell our home, Ted and I prayed about staying in South Dakota or moving to another location. On a trip out East in September of 2023 we had driven through Kentucky and stayed with friends there. We loved it. After consideration and prayer, we decided Kentucky would put us closer to at least one grandchild. With the hope of moving there in July, this month includes a trip to the Lexington area to look at houses and get a feel for some of the area.

Please pray:

~Ted continues all his responsibilities in his role at TWR continuing to work through this big transition we will be making.

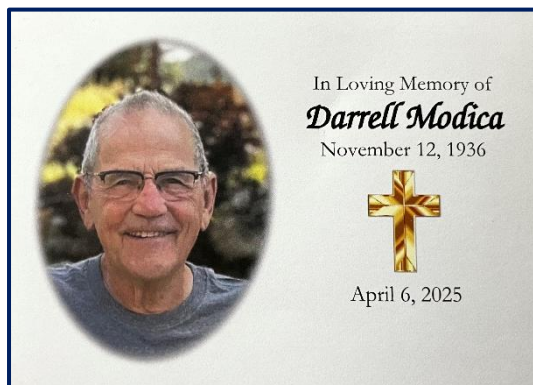

~Micah has been remotely plugging away at his Moody classes. He hopes to go back to Chicago for the fall semester for his last class, Senior seminar.

~Micah does his Moody-required internship at our church here in South Dakota. Praise God for this opportunity!

~Dawn has been working hard at packing and working with her siblings to stage their home for an official listing early this month.

## Well Done God and Faithful Servant...

In April, two friends passed away into glory. Both of them loved Jesus with all their hearts and gave to others generously of their time and talents! They were a part of our team, helping us to continue what we do with TWR. We wanted to honour them and say, "thank you!" As we were writing this prayer letter, we also heard

of another friend, Rudy Cary, who is now face to face with Jesus.

Please pray for each spouse as they continue to trust the Lord and live each day without their best friends.
