## Discussion Guide

1. What stood out to you in today's gathering?
2. What stands out to you about Paul's conversion story in this account (Acts 26:12-23)? How does a genuine encounter with Jesus change a person's direction?
3. Why do you think it was easier for Saul to fight against Jesus than to join Him? What fears, comforts, or beliefs made resistance feel safer? Can you think of a time in your own life (or someone you know) when you resisted what God was calling you to do? What made resistance feel easier than surrender at that moment?
4. Acts 26:32 says "And Agrippa said to Festus, 'This man could have been set free if he had not appealed to Caesar.'" Paul suffered greatly during his ministry, and he could have ended that suffering at any point by simply packing his bags, going home, and living a quiet life. And yet he continued to preach the gospel and testify to Jews, Gentiles, and kings. What does this teach us about the relationship between suffering and obedience to God?
5. What is one takeaway from today's message that you believe the Lord is prompting you to live out in your life?
