## Houston Food Bank

Around 1 million people in the 18 southeast Texas counties served by Houston Food Bank are considered food insecure, meaning they lack consistent access to enough nutritious food to fuel a healthy life. In order to address this issue, the Houston Food Bank distributes food and other essentials to those in need through a network of more than 1,600 community partners. In addition, we also provide programs and services aimed at helping families achieve long-term stability including nutrition education, health management, and help in securing state-funded assistance.

There are so many opportunities at the Houston Food Bank for families! There is no age limit either! Located in Downtown Houston, so you can make a whole day of it. Everyone needs a waiver from Online and you can find a schedule of opportunities [here](#).
