As we prepare to discuss the Body of Christ, look up **1 Corinthians 12:12–14, 26–27** in your Bible or Bible app.

Think of a part of your body and share how difficult it would be if it did not work properly. We rely heavily on our eyes, ears, nose, and mouth. Have you ever injured your foot, hand, or back? Every part is important, but we often do not realize it until it is not working correctly.

What do today's verses say about the body?

"Just as a body, though one, has many parts, but all its many parts form one body, so it is with Christ."

"Even so the body is not made up of one part but of many."

Think of three jobs people have on Sunday morning. Did you mention greeters, musicians, teachers, and pastor?

Now, think of one job someone has that is behind-the-scenes. Did you think of the Media Team, Prayer Team, Men's Ministry, Women's Ministry, or Care Team? These are just a few, and they all play an important role.

Now, think about your family and the different jobs each person does. How hard would it be if someone did not do their job?

Each part of your body, each job in the church, and each member of your family has a specific role. When everything is working together, we have a much better chance at having a healthy body, a healthy church, and healthy family.

Listen to this song, think about the lyrics, and maybe even sing along.

Prayer: Dear God, thank you for giving us each special gifts so that we can contribute to the church family and to our own family. Help us to honor you by doing our best with our responsibilities, help us to respect others within our family and church family, and help us to be unified as we follow You. Amen.
