**Think About.** I am training you in steadiness. Too many things interrupt your awareness of Me. I know that you live in a world of sight and sound, but you must not be a slave to that stimuli. Awareness of Me can continue in all circumstance, no matter what happens. This is the steadiness I desire for you.

Don't let unexpected events throw you off course. Rather, respond calmly and confidently, remembering that I am with you always. As soon as something grabs your attention, talk with Me about it. Thus I share your joys and problems: I help you cope with whatever is before you. This is how I live in you and work through you. This is the way of Peace

*Psalms 112:7*
