CHURCH OF THE WEEK Immanuel Baptist Loyal OK Pastor Randy Overton

Think About. One way we can give “emotional hugs” to our loved ones is by sharing words of encouragement and hope. Hope, like other human emotions is contagious. In fact, hope is highly contagious—as is its opposite.

When we associate with hope-filled friends and family members, we are encouraged by their faith and optimism. But if we spend too much time in the company of naysayers and pessimists, our attitudes, like theirs, tend to become cynical and negative.

Today look for reasons to celebrate God's endless blessings. And while you're at it, look for people who will join you in the celebration. You'll be better for their company and they'll be better for yours.

Don't forget that a single sentence, spoken at the right moment, can change somebody's whole perspective on life. A little encouragement can go a long, long way. Marie T. Freeman
