Think About. Every human life is a tapestry of events: some grand, some not so grand, and some downright disheartening. When we reach the mountaintops of life, praising God is easy. In our moments of triumph, we trust God's plan. But when the storm clouds form overhead and we find ourselves in the dark valley of despair, our faith is stretched—sometimes to the breaking point. Yet we can take comfort: wherever we find ourselves, whether at the top of the mountain or the depths of the valley, God is there. And because He cares for us, we can live courageously.

You can call upon your Creator in your hour of need and find comfort. Whatever your challenge, whatever your trouble, God can handle it. And He will.
