## Highlights from the Board

At the February 14, 2024 Board meeting, the following items were discussed.

**Financial Secretary**, Betty Morris reported that we received enough in offerings to meet our expense needs for January, but that is only because we do not have the expense of a pastor's salary.

**The Worship Committee** may need to purchase a new computer. However, we have two other computers that we can try to use for worship purposes.

**The Property Committee** reported that we have had a blessedly quite month. The only activity was that InetVisions replaced the cable from the Main Building to the Fellowship Hall that supplies wifi to the Fellowship Hall. A squirrel had chewed the cable allowing water into it. They also trimmed the tree branches away from the cable.

**The Youth Committee** reported that SeekerGen students attended FUSE at First Baptist Church on January 28.

**In Children's Ministry**, Tammy Clark reported that Little Tree Ministries is averaging 19 students per week. She announced that they will be installing a camera in the van so that she can see what the kids are doing on the van.

**The Pastor Search Committee** reported that our pastor search plans to meet with Rick Callahan, of Vanderbloemen, on March 7th for a presentation of potential pastor candidates.

**In New Business** it was announced that Bill Platt will be preaching on Easter Sunday. In addition, there will be an Easter Sunday Potluck Breakfast that morning before service. There will not be adult Sunday School. However, children's Sunday School classes will happen.

**Board meetings happen the second Wednesday of each month (except July) at 7:45 PM in the Church Parlor. All are welcome to attend.**
