What does attending the Southern States Bible Conference (SSBC) mean to me?

“ Seek ye first the kingdom of God....”

I have to say that there are times I find it challenging to seek God in the busy, loud, chaotic society we live in. Bible Conference gives me an opportunity to step away from everyday life and responsibilities and focus on Him and His word. The beautiful setting of Epworth uniquely enhances the spiritual focus. There is a peaceful feeling that comes from an evening stroll by the river to see the sunset, reflect on the lessons of the day and pray. There is a lovely prayer chapel by the river that also offers a place to pray and reflect. The carillon with bells on top of the chapel strikes the hour and plays hymns. Amazing!!

People have talked about connecting and building relationships with other like believers. It is so important to meet together to worship and encourage each other. On a personal note, God used Bible Conference to connect me to my amazing husband. You never know how God will work.
