## This Week

### Prayer For Our Students

About the only thing more important and needful than forgiving one another is to pray for one another. This Sunday, please consider praying specifically for one of the students attending SPBC during this school year. Prayer draws us closer to God and is a wonderful expression of love in action. Names of students for school prayer will be available up front this Sunday morning.

Brother Randy

# THANK YOU

To My Church Family,

To all who responded to my prayer request, I say thank you. During my time with my infected saliva gland with a stone a few days ago, Brother Randy called me and had prayer on the phone. That same day, Tamela called and I brought her up to date on what was going on. She offered to put it on email so everyone could pray for me. The next day when I woke up, I could open my mouth and my pain was much better. The Lord had performed a miracle! A few days later, I went to my doctor and he said my stone was almost completely gone. After two visits to the ER from complications, the Lord took care of me. I ask that you continue to pray for me. I love each of you and pray that the Lord will take care of you!

Thanks for being my church family. The Lord still answers prayers and performs miracles!

In Christian Love,  
Margie Denmark

Thank you all very much for your cards, calls, and especially your prayers for me during my recent back surgery. I appreciate your expressions of concern and I am so very thankful for my church family!
