Blood Drive

Monday, November 16th

12:30 - 6:30 PM

As we celebrate this Thanksgiving season, let us remember one of the greatest gifts we can give is the gift of life. Donated blood is essential to saving lives, yet it is something that cannot be manufactured or replicated in a laboratory. It can only come from generous people willing to donate. Every donation has the potential to help someone in need, whether a patient facing surgery, an accident victim, or someone battling a serious illness. This Thanksgiving, let us be thankful for the gift of life and consider sharing that gift with others through the simple but powerful act of donating blood. Besides the great blessing you will receive from this important service to others, you will also receive a thank you.

Give blood. Get thanked! Come to give Nov. 16th and receive thanks with up to $20 in Gift Cards! You'll get a $10 Amazon Gift Card by email PLUS 500 bonus points, redeemable for a $10 e-gift card through Blood Donor Rewards. American Red Cross continues to need blood donations especially with the holidays approaching. Our drive will begin at 12:30PM through 6:30PM. You can make an appointment by going to www.redcrossblood.org or just drop by when it is convenient for you. If you have any questions, please call Dale Nessmith at 912-536-4075.
