## **GROUP ACTIVITY GUIDELINES (Code of Conduct)**

### **Aversboro Road Baptist Church**

**Introduction:** It is the purpose of our church to provide ministries to children, students, adults and their families in an atmosphere where each can feel safe and cared for. To ensure such an environment, we have established these guidelines which address the most commonly raised issues and concerns by volunteers, staff, and parents. We have attempted to keep these guidelines consistent with the various camps and conference centers we attend throughout the year. Please review these carefully. Parents, we ask that you review these guidelines with your child/teenager.

1. It is the policy of this church that group leaders and counselors are to be given 100% respect and cooperation at all times. If any participant disagrees with a counselor, they have the right to state their concern privately in a Christ-like manner to the group leader. In matters of dispute, or clarification of rules, the Minister leading the group or the designated group leader has responsibility and authority for interpretation.

2. All participants agree to these scriptural guidelines:

*So in everything you do, do to others what you would have them do to you for this sums up the Law and the Prophets. Matthew 7:12 (NIV)*

*Do everything without complaining or arguing, so that you may become blameless and pure, children of God. Philippians 2:14, 15a (NIV)*

*Encourage one another and build each other up. I Thessalonians 5:11 (NIV)*

3. All persons attending church activities or events are expected to participate fully in that activity. If anyone feels they are unable to participate, they must report to the group leader at once to discuss the situation. Participants who leave an activity are not expected to return to that activity. Parents are to notify leaders if a student needs to leave early. Parents may be notified if participants leave unexpectedly.

4. Church Members age 25 or older may drive while participating in church activities. Drivers must submit a copy of their license and proof of insurance to the Church Office for approval prior to driving personal vehicles or church vehicles. Only approved drivers may drive church vehicles. Only drivers with a Commercial Drivers License, Class A,B or C with passenger endorsement, may drive the church bus. Seat belts are to be worn on all vehicles where they are provided any time the vehicle is in operation. Student drivers are not generally permitted to "just meet us there." Students must meet at the church and ride on church approved transportation.

5. The return time or pick up time will be announced prior to departure on any group activity. The group leader is responsible to see that groups returns on time. Parents are responsible to pick up participants at the designated time. Parents will be notified when the group is unable to return as scheduled.

6. Any Student or Kids activities planned by parents, teachers, or students that *appear* to be sponsored by this Church should have prior approval by the appropriate staff minister.

7. Kids/Students are asked *not to bring* electronic items including: Mobile Phones, Cellular Devices, tablets, computers, musical or other electronic equipment on retreats, camps or mission projects without prior approval of the group leader. Chaperones will carry Phones and equipment needed for events. Parents are asked to ensure the cooperation of their own children with these guidelines.

8. No form of tobacco product may be in the possession or use of persons under age 18. No person may use any form of tobacco product on church vehicles, inside of the church facility or at any time while a group is meeting. Adult who chaperone students are expected to abide by the guidelines.

9. No form of alcoholic beverage, illegal drug, or drug paraphernalia may be in the possession or use of any age participant.

10. Dress Code: Participants are expected to reflect a Christian example by their dress. Modest shorts are acceptable for some activities. However, shorts may not be appropriate for some activities. If you are unsure, please consult with the group leader. Immodest shorts or tops, distasteful designs or messages and other extreme clothing would not be acceptable. A good guideline: If you are not sure whether an item is appropriate, choose something else! Bathing Suits: Girls - one piece suits only. No french cut suits. Guys - no Speedo's.

Shirts: Use modest shirts. Muscle shirts, shirts which show midriff, and some sleeveless shirts are inappropriate.

During Mission Trips/Activities: Shirts must have sleeves (short sleeves are certainly fine! But please do not roll them up.)

11. No derogatory, foul, or obscene language shall be used by any participant or worn on any clothing.

12. No knife, gun, firework, or weapon of any kind may be in the possession or use of any participant without the approval of the Group Leader. Laser pointers are not allowed.

13. Carrying medications, prescription or non-prescription, while participating in group activities causes concern for the church and for many camps and conference centers we attend . For persons under the age of 18 the following guidelines will apply:

- Any medication a participant under 18 may need (prescription or non-prescription) shall be in its *original container* and placed in a clear zip-lock style bag with their full name printed on the bag with a permanent marker.
- There shall be in the bag a written permission form and dosage guidelines completed by the parents or legal guardian, or physician. Dosage in excess of the amount on the container must have a form signed by a physician.
- The bag, containing medication and instructions, shall be presented to the Group Leader as soon as the participant arrives for the activity.
- Medications requiring refrigeration: It will be the responsibility of the parents to discuss this matter prior to the activity with the group leader so they may work together to make arrangements.
- Persons 18 years and over are to keep medications with them or to have them locked in an appropriate luggage container and keep these items for personal use only.
- We understand there are situations where youth need to keep some medications with them. Please discuss these situations individually with the group leader.
- No participant shall use or have in their possession any form of illegal drug.

14. The use of water guns and other items (shaving cream, soap, hair products, creams, sprays, duct tape, etc.) that have the potential to cause damage to furniture, walls, carpet, etc. shall be used only outside, and only with the permission of the group leader. Most Retreat and Conference Centers prohibit the use of such items anywhere on their campus!!

15. The proper development of relationships among group members is essential. We encourage young people to invite friends to participate with them. However, it shall be considered *inappropriate* to have any physical contact during Bible study and worship experiences. We believe there should be no conduct which may distract a person, or others persons, from giving primary focus to God during these times. We appreciate the understanding of this guideline by all participants!

We have not intended this to be a complete list of do's and dont's for group activities, but to clarify commonly raised questions. It shall be within the responsibility and authority of the group leader and counselors to address any behavior, action, issue, or situation that they may consider to be harmful or disruptive to the purpose of the activity, or that may be harmful or disruptive to the well being of the group.

Furthermore, it shall be within the authority, and the responsibility, of the group leader to require any participant to immediately leave the activity should lack of cooperation with these guidelines occur, or it be determined that an individual's continued participation to be disruptive or harmful to the well being of the group. Parents of participants under age 18 may be called should it become necessary for these participants to return home or should the parent's help become necessary to resolve any issue. The decision as to whether a participant will be sent home is to be determined by the group leader and counselors present for the activity. Should it become necessary for the participant to return home due to medical reasons, disciplinary action, or otherwise, the participant's parents and/or legal guardians are responsible for arranging such transportation and agree to assume all transportation costs.

Unresolved issues related to these guidelines may be brought to the Deacons by the group leader for discussion, further consideration, and action.

**Conclusion:** Should you have any need for clarification, or any concern, please discuss these with the group leader prior to participation. We hope these guidelines help you feel more comfortable leaving your child/teenager in the capable hands of our ministry leaders.
