

VESTRY MINUTES APRIL 14 2026 6:30PM

Called to order by John Trompeter Senior warden

The meeting was opened with a prayer from Father Lance.

The minutes from prior meeting were read and corrections were given to be completed.

Beth moved the minutes as corrected. Gary G. seconded them.

Lengthy financials were given by Bruce. He gave everyone a handout with complete numerical content. He spoke of the 19,000 dollar loss relative to the Diocese, and that the Diocese is moving funds from Canandaigua Nat'l Bank to Morgan Stanley. Bruce gave the cash assets and the memorial fund balances.

Bruce gave the disbursement of funds: such as: Outreach, old capital funds. Building and Equipment will be done shortly.

Invoicing: More and more people want to email bills. We are making every effort to deal responsively with this.

IE: Insurance. Medical, etc.

Transition: How we pay bills, and how we handle this moving forward. Sue has offered some very good pointers for transition.

Church pensions: Lance, Debbie and Karen.

EFT to us rather than a check.

The Future: The goal is to turn this over to Bill payers. He will in the future go over all this with the bill payers.

Income and expense sheet: Beth asked about the use of Bldg. Donations from the various groups.

Usage meters: We do not have a smart Meter. Look at our usage to offset costs.

The Report was moved to accept by Gary Richardson and seconded by Ed Kushall.

It carried.

The Sexton Report:

Trees to be taken down in parking lot.

A. what to be done with the parking lot after their removal.

It was decided that John will be in touch with Chris to check on the tree removal process.

Beth W. moved and Mary R. seconded the motion. The Report was accepted.

Safe Church Training: log in from Diocese regarding training, as a group. Takes about two hours.

April minutes continued: The Vestry Bylaws and Constitution: Each member received a copy and are to review for the May meeting.

Committees: Ed kushall provided a list for each committee member. There were 7 categories. Medical was added to the list making 8.

please refer to Ed's handout for listing with changes of what is under each liaison position.

Visitations: Father Lance chairs and reaches out to others, such as Roc W.

PROJECTS:

After a long discussion about the kitchen it was decided that we need professional advice on the kitchen. We have a limited use permit currently. What the cost could be to bring this up to useful/usable. Mary suggested it may be possible to get a grant for kitchen.

Upgrade of heating system. We need to have Chris get quotes for this. Critical. Otherwise leaks will prevail.

Paving for parking where trees are at least. Could be safety issue.

Replace and refurbish cross in front of church viewed from the street.

John will be in touch with Chris.

LIVESTREAM

New monitors and equipment ordered. Bruce offered to train Chris and Gary on them. A big thank you to Mary Randall for securing a grant for the equipment of 5000.00 dollars.

An end of meeting prayer was offered by Roc and the meeting was adjourned by John T. at 8:06pm.
