| <i>“ As a father has compassion on his children, so the Lord has compassion on those who fear him; for he knows how we are formed, he remembers that we are dust. The life of mortals is like grass, they flourish like a flower of the field; the wind blows over it and it is gone, and its place remembers it no more. But from everlasting to everlasting the Lord's love is with those who fear him, and his righteousness with their children's children—with those who keep his covenant and remember to obey his precepts.”</i> |                                    |                         |
