ANNOUNCEMENTS

Mercy on the Move has moved to Thursdays because of a schedule conflict for several volunteers. The next scheduled day is September 10th. The next follow-up meeting is Monday, September 21st, followed by another delivery on the 24th. Pastor Donna shared with the congregation last Sunday the appreciation shown by the family who received the donated items. The little girl said to Ruth, "We're so lucky!"

Several people have asked how to help with the ramp ministry. We are grateful to Bruce Samdal and CJ Adsit for taking over the program. They have installed four ramps to date, and we have a few more to process. Because Bruce and CJ have full-time jobs, their weekday time to build and install ramps is limited. Several times they have stayed after church to assemble ramps in the garage and then delivered them during the week. If you would like to participate, they would welcome your help.

Thank you to our volunteers who teach Sunday school and care for the nursery. Sometimes we just have a handful of children and other times the class is full and the children are a "handful" for the teachers! Would you be able to be on call for days when an extra pair of hands is needed? Please see Mandy or Trish if you can help!

A new sign-up sheet for greeting and fellowship will be available in a week or two. Please sign up to serve after the service. We are fortunate to have several teams who rotate regularly, but an extra team or two would be awesome! With fall sports starting for the youngsters and holidays ahead, some of our regulars will be busy and we would be grateful for your support!

Women's Fellowship will have their first meeting on Wednesday, September 9th. All of the women of the church are invited. We ask that you bring your lunch and we will provide dessert and beverages. It is really a great time of devotion and fellowship. We throw in a craft now and then and we prepare holiday gifts for our shut-ins. Please join us!

There have been some issues with our sound system in the sanctuary and on the live-stream. We are working diligently to remedy these issues.

The new directories will be available on-line soon. If you need a printed copy, please see Kim or Ruth.

SAVE THE DATE! Fall Bible Study will begin Monday, October 5th and will end on November 2nd. This is a 5-week study titled, "Every Thought Captive" by Kyle Idleman. There will be a Monday night session beginning October 5th at 7:00 PM and a weekday session, day and time yet to be determined.

GET INVOLVED

HOSPITALITY TEAM: We still need volunteers for greeting and fellowship time. If you are unable to bring baked goods, others will supply them if you help serve and make the coffee. If you are unable to work your assigned day, please make sure to find someone to take your place! Please consider helping!
