ANNOUNCEMENTS

SAVE THE DATE! Fall Bible Study will begin Monday, October 5th and will end on November 2nd. This is a 5-week study titled, "Every Thought Captive" by Kyle Idleman. There will be a Monday night session beginning October 5th at 7:00 PM and a Friday session at 1:00 PM.

Muskegon Rescue Mission is once again asking for our help to fill a "Thanksgiving Basket" Our church mission team has agreed to help, and we are asking the congregation to donate canned yams. We have a goal of 225 cans. The Rescue Mission is filling 1,000 baskets this year. There are 2 containers in the narthex. Please donate!

Tyler, our youth group leader, has begun his Sunday night meetings. They begin at 6:00pm. He has done a great job making the youth rooms inviting and has added some fun games. Please spread the word and invite your kids, grandkids, and neighbor's kids.

Directories were printed! If you did not get one, let Kim know and she will give you one.

We have decided not to do "Trunk or Treat" this year. Halloween is on Saturday, October 31st.

Women's Fellowship will meet on Wednesday, October 14th at noon. All women of the church (and friends) are welcome to come. Please bring your lunch and we will provide beverages and dessert. If you come, please bring your favorite bible verse. We are planning on using these for our gifts to the shut-ins.

Mark your calendar for the Harvest Dinner. It will be held on Sunday, November 8th following our worship service. We ask that you bring a dish to share. A sign-up sheet will be available closer to the day. You will not need to bring a place setting.

GET INVOLVED

HOSPITALITY TEAM: We still need volunteers for greeting and fellowship time. If you are unable to bring baked goods, others will supply them if you help serve and make the coffee. If you are unable to work your assigned day, please make sure to find someone to take your place! Please consider helping!

October 22 - Prep and delivery

It was brought to our attention that 33 children are living in the motel on Seaway Drive. That is one of the **usual** delivery spots. The Mission team and Mercy Team have thought about making this our Christmas project. There will be more information to come.

RAMP MINISTRY

Several people have asked how to help with the ramp ministry. We are grateful to Bruce Samdal and CJ Adsit for taking over the program. They have installed four ramps to date, and we have a few more to process. Because Bruce and CJ have full-time jobs, their weekday time to build and install ramps is limited. Several times they have stayed after church to assemble ramps in the garage and then delivered them during the week. If you would like to participate, they would welcome your help.
