1. When the Horry County Schools are already scheduled to be open and they close due to inclement weather or other circumstances, we will follow that announcement – the campus is closed.
2. If the County, State or Federal government declares a “state of emergency” we will close our scheduled campus activities.
3. If the County Schools were already scheduled to be closed and we were scheduled to be open and no state of emergency is called, the pastor, president, head elder and principal will communicate and make a decision in the best interest of the congregation. Such announcement will be communicated on WRNN 99.5 FM radio to the community, and where possible, via the internet.
4. Emergency Church Closing: It is possible from time to time that a critical event occurs at Risen Christ Lutheran Church or immediately nearby that compels us to consider closing. In that case, step 3 above will be followed.
5. Emergency School Closing/Delay: It is possible from time to time that a critical event occurs at or near Risen Christ Lutheran School that compels us to consider closing.
